

ABOUT US

Formed in 2003, KMGS Road Signs Pvt. Ltd. began by manufacturing traffic signboards, undertaking contracts of Thermoplastic Road marking, cycle track marking works and distributing various road safety products. Since then, KMGS has grown to become a market leader for providing complete road safety solutions. KMGS, a specialist in Thermoplastic Road marking, is a trusted name for quality and performance.

We represent various world-class suppliers from both, India and Abroad. We are the authorized applicators & distributors for **KATALINE Infra Products** in India offering Thermoplastic Road marking materials, Water Base paints & Two Component Cold Plastic materials, in collaboration with **T Paints Holland**. In Austria, we represent **SWARCO**, for their special moisture proof coated Drop on Glass Beads. Additionally, we are the authorized converters for **3M India Ltd.** in USA for their Traffic Safety Systems Division, providing Retro Reflective Sheeting & Road Safety products.

In a rapidly changing market, we keep pace with new developments and innovations in our portfolio to offer materials suitable for conventional and expert application methods of international standards.

Moreover, we execute the work of applying Plastitrak roll on surfacing material for cycle tracks and pedestrian crossings.

To adopt latest technologies and diversify into newest streams, KMGS has recently partnered with overseas producers in UK for their Aggregate-based Pavement Solutions- Flexi Pave, for special Colored & Anti-Skid High Friction Surfacing & EPDM surfacing solutions for several sports and walking tracks.

Our Team of technical experts and specialized equipment ensure total quality assurance and performance, delivering complete satisfaction to our valued customers across India.

KMGS is committed to working closely with its esteemed clients to achieve high performance standards increasingly being specified by MORTH, IRC, BS, EN, AASHTO, ASTM, NHAI and other respective authorities.
